Key Ingredients

Bladderwrack - a type of kelp, it has properties that prevent dryness of skin and can help with wrinkles, softening the skin and improving circulation.

Ginger - improves the elasticity and firmness of the skin making it look younger and feel smoother, lightens age spots and can cleanse the skin of infection.

Ginkgo Biloba - has high levels of antioxidants, as well as anti-inflammatory and anti-cellulite properties, and can protect the skin against damaging UVB rays.

Gotu Kola - is renowned for its abundance in antioxidant vitamins A, B, C, and D, as well as skin beneficial minerals including calcium, chromium, cobalt, magnesium, manganese, phosphorus, sodium, potassium, selenium, silica, and zinc.

Kelp - has cellular circulation properties that help promote skin volume, creating a youthful smooth face.

White Tea Extract - has high levels of antioxidants that increase the antioxidant capacity of the tissue and skin - beneficial for anti-aging and skin rejuvenation. It has UV protection qualities and anti-bacterial properties that help prevent skin infections, including acne.
