

## Product Fact Sheet

### Hydrating Face & Body Mist

**Hydrating Face & Body Mist** is an intensely moisturising, and soothing spray with botanical ingredients that provide a cooling, refreshing lift.

One or two gentle sprays of the mist lays down a veil of moisture loving Aloe Vera that helps keep skin refreshed and hydrated. **Hydrating Face & Body Mist** is also very helpful to use with the galvanic spa, to help the spa glide on your skin.

**Hydrating Face & Body Mist** comes in a handy 100ml spray bottle, so that you always have natural hydration when you need it!

#### How To Use

1. Hold approximately 20cm to 30cm from skin.
2. Spray one or two mists on dry, sun damaged or dehydrated skin (face or body) as required.
3. The better hydrated your skin becomes, the less often you will need to spray!
4. Apply to your face and body when using the Galvanic Spa.

Also provides effective relief from sunburn, itching from eczema, psoriasis and heat rash. The ultra fine mist can also be used to set makeup or to hydrate you through your healthy water-based makeup.
