Key Ingredients

Calendula - effective at soothing dry and irritated skin, it has antiseptic, anti-inflammatory properties.

Aloe Vera - highly moisturising and improves the elasticity of skin - making it smoother and more supple.

Bladderwrack - a type of Kelp, it has properties that prevent dryness of skin and can help with wrinkles, softening the skin and improving circulation.

Ginkgo Biloba - has high levels of antioxidants, as well as anti-inflammatory and anti-cellulite properties, and can protect the skin against damaging UVB rays.

Kelp - has cellular circulation properties that help promote skin volume, creating a youthful smooth face.

Papaya - is very rich in Vitamin A, B, C and carotenoids - antioxidants that help to fight off the appearance of aging and sun damage. Papaya helps your skin look more rejuvenated and tight. It also reduces irritation and redness.
