As a Targeted Line Removal Treatment:

This **Anti-Ageing Serum & Galvanic Gel** is also highly effective when used to targets signs of ageing. Containing pro-collagen peptides it helps soften moderate to deep lines around the forehead, eyes, and mouth. Research has shown that peptides have the ability to deliver age-reversing signals to cells that produce collagen, promoting younger, more youthful, glowing skin.

Anti-Ageing Serum & Galvanic Gel is safe and gentle enough for all skin types while delivering a targeted approach to help diminish even the most severe signs of ageing.

Key Ingredients

Soluble Collagen - absorbed through the skin to penetrate to the supportive collagen layer to repair and restore volume, flexibility and strength.

Hyaluronic Acid - recognised as the best ingredient to hold skin firming and softening moisture in the skin - one gram of Hyaluronic Acid can hold up to 6 litres of water!

Aloe Vera - highly moisturising and improves the elasticity of skin - making it smoother and more supple.

Dragon's Blood (Croton Lechleri Resin Extract) - has effective Antioxidant properties that perform "Free radical scavenging" to restore Youthful Function to skin cells, whilst minimising skin irritations and increasing blood flow - supporting the restoration of collagen levels - smoothing and firming.
